

I Love Sixpence

Carl Orff

2. I love fourpence, jolly, jolly fourpence,
I love four pence better than my life.
I spent 1 pence, I lent 1 pence
I took two pence home to my wife.

3. I love twopence, jolly, jolly twopence,
I love twopence better than my life.
I spent 1 pence, I lent 1 pence
I took nothing home to my wife.

4. Oh, my little nothing, my jolly, jolly nothing,
I love nothing better than my life.
